

**SITE COUNCIL
Call for Nominations**

The Forest Park Site Council is seeking two parent representatives to replace those currently serving whose two-year terms are due to expire at the end of this school year. Thank you to Susan Ellis and Lee Anna Jones for their time, efforts and energy on the council.

The Site Council is made up of the principal, teachers and parents who work together to monitor school improvement, staff development plans, and to foster community involvement in the school.

This is a great opportunity to be part of the team that plans our school's academic achievement and culture goals. For as little as two hours a month, you can be instrumental in the course our school takes for the year and into the next year. *Please see the Site Council tab of the Forest Park website for more information on what a site council is and does.*
