

Valentine's Day See's Candy Sales

Brought to you by the 5th Grade Legacy Program.
Funds raised this year benefit our neighbors, the Audubon Society.

This year, Valentine candy may be purchased early in order to get it to out-of-town Valentine's. Please use order form below to order candy for your children, parents, grandparents or friends. Quantities are limited, so order early. Boxes of candy are \$6 each. Make checks payable to Forest Park PTA with "5th Grade Legacy" in the note line.

Valentine candy will be available to be delivered to your child's classroom to take home on Fridays, January 29th, February 5th or February 12th depending on when you get your order in. Candy "grams" are not available this year. Other arrangements can be made to pick up candy by calling Kristin at 503-235-1669. A limited number of boxes of candy will be available after school Friday, February 12th at pick-up time.
