

Audubon Society of Portland: The Science of Water Quality

The fifth grade classes are headed back into “the nature” to do more hands-on learning in their own backyards!

- Mr. Wade’s class: Tuesday, March 31
- Ms. Gardner’s class: Wednesday, April 1
- Mrs. Morris’ class: Thursday, April 2
- Ms. Robbins’ class: Tuesday, April 7

Each trip will depart from the Forest Park Elementary parking lot at 8:40 a.m., head to the Audubon Society of Portland on Cornell Road for a program that runs from 9:00 to 11:00, and return to school by about 11:20. Parents are encouraged to chaperone and enjoy the program; however we would also appreciate the transportation help from parents that are not able to stay.

Please return this sheet to your student’s teacher or email him or her with any questions. Thank you.
